**BRAND NEW  
BRANCH IN  
GAINESVILLE**

Construction is almost complete on our newest branch conveniently located on 43rd street in NW Gainesville. The office features state-of-the-art teller stations designed to allow staff interaction with members in a more personal manner. It replaces the current location in Magnolia Parke and will serve as SunState's Commercial Services Center.

SunState's package of commercial services, launched in early 2008, has grown and expanded to meet the needs of small business owners in the area. "This branch will be our commercial services center, providing local business owners with a convenient solution to all of their financial needs," said Joe Bour Senior Vice President at SunState Federal Credit Union. "The need to expand into a space that was more suitable for our business clients, in conjunction with a more accessible location for our current members, makes this new location an exciting addition."
